CM Track Ceiling Mount Instructions:

Installing Your Drapery Track:

You are now ready to install your Forest Drapery Track System.

- 1. Mark**
Hold your track in position on the ceiling and mark the screw hole spots where you will pre drill mounting holes.
- 2. Drill**
Pre-drill and insert anchors as needed for secure installation.
- 3. Attach Track**
Align track with pre-drilled holes and fasten with screws.

OPTIONAL : Drill directly through the flange if necessary for a secure installation.
